Created By God

What is Created By God?

Created By God is a study of human sexuality with a Christian foundation. It will offer the students and their parents an opportunity to learn, grow, and celebrate the fact that we have been wonderfully created by God, and are called to responsible living as sexual beings.

This involves a major time commitment on the part of parents and students, but the benefit will be well worth the investment. In addition to providing an arena where accurate information and proper terminology can be gained and practiced, the students involved will better understand how their sexuality fits into God's plan for human relationships. Using a highly interactive approach to learning, Created By God is also a lot of fun for everyone involved.

As much fun as this experience promises to be, we don't expect the young people to be doing back-flips when approached about participating in this event. Don't give in to the resistance. This is something needed by parents and growing children to improve understanding and communication.

Sessions will be conducted by:

Rev. Dr. Peter Moon, Lead Pastor

Amy Beckwith, Director of Youth Ministries

Beth Christian, Director of Children's Ministries
