

## OUR HISTORY

With a qualified preschool team of prior teachers, administrators, financial colleagues, and business professionals, the preschool developed into an outreach of the Woodlake United Methodist Church to serve the community and to provide educational and spiritual experiences for preschool-aged children. WUMP opened its doors to the community on September 8, 2008.

## OUR PURPOSE

Our ultimate purpose is to glorify God. This will be accomplished by providing a joyful, enriching experience for children while nurturing every aspect of their growth. We will provide stimulating experiences in a loving, respectful environment while implementing a Christ-centered curriculum.

WUMP was designed as an outreach ministry to the community, to both Christians and non-Christians, by providing educational and spiritual experiences for preschool-aged children. WUMP welcomes children of any race, gender, religious belief or national origin. Special needs children are accepted based on the preschool's ability to meet their unique and individual needs.

WUMP is organized, managed, and controlled through the direction of the WUMP Director, the Shining Light Community Outreach Foundation (SLCOF), Woodlake UMC, and the Book of Discipline of the United Methodist Church (UMC).
