**WOODLAKE UNITED
METHODIST CHURCH**
LOVING GOD, KNOWING GOD,
LIVING OUR FAITH
AS DISCIPLES OF JESUS CHRIST

ARE YOU READY TO DO SOMETHING RADICAL? TRY CONFIRMATION!!

Hello everyone!

We hope you've had a fantastic summer.

If you have ever been to church and asked, "How is this relevant to me?", you are not alone. Are you tough enough to discover the answer to this and other questions about God? I will warn you – you will have fun even if you are determined not to. You will meet new people and get to know them in a more personal way. You will even discover things about yourself you have never faced before.

If you accept the challenge, we would like to have you join us this September to find out how to get the most out of life.

Confirmation is a chance for you to experience God in a way that is alive and life-changing. Confirmation is all about giving you some basic tools so that you can make a decision whether to follow Christ. Your parents cannot make that decision for you. It is between you and God. We will explore the mysteries of the Bible, the life of Jesus, how the church is making a difference in the world and the exciting plans God has for YOU.

YOUTH CLASS

Confirmation begins with a fun get-a-way weekend in October where we have a great time outdoors away from home. Then, there will be many opportunities for you to see joy on people's faces, all made possible by you! We top it off with games, discussions and insights from our "Toolbox", which ties it all together. Following the kick-off retreat, we will meet weekly on Sunday mornings for an hour and fifteen minutes. We highly encourage parent involvement along your journey. Jesus is calling you—not only to be good—but to be His. Why be just happy when you can experience true joy? Why be bored when you can experience the excitement of all life has to offer? Come on—we dare you to let God change you!

PARENT CLASS

Confirmation is a spiritually significant time in the life of a child. Come join other confirmand parents as we explore the same Scriptures and concepts that the youth will study. As parents, your support and active participation are essential in preparing your child for confirmation. We encourage you to take this opportunity to grow in faith with your child by reflecting on the workings of the Holy Spirit in your lives, refreshing your memory or learning something new. Become closer to your child while drawing closer to God together. Please talk to your child about what they are learning and help them see how these things can be part of their lives.
