Shining Light Community Outreach Foundation

Missions/Fundraiser Policy

Finance Committee would like to encourage mission participation by every church member. To that end, we encourage all groups to participate in mission projects within the group. If a mission project is contained within the group (small group, Sunday school class, youth group, UMW Circle, Men's Ministry, Team Kid, etc.) the group may plan and execute the project without committee approval. In order to manage the number of requests made of the congregation at any one point in time, any project that will be opened to congregation members to participate through bulletin, email, pulpit announcements, posters or other means must obtain approval through the WUMC Mission Committee prior to distributing information outside the group. If the project requests the payment of donations or the purchase of donated items, it will be considered a Fundraiser and must be submitted to and approved by the Finance Committee and placed on the Fundraiser Calendar prior to requesting space or advertising. The Treasurer and the Missions Committee Chair will coordinate scheduling of all church-wide requests. The Treasurer will communicate with the Communications Coordinator, the Pastors, and the Church Office when approval is granted.
