

FINISH STRONG START WELL

By finishing strong in 2023,

Woodlake UMC hopes to achieve these goals:

- Give \$5,000 to help Journey Community Center in Amelia build a transitional home.
- Give \$8,000 to Porch de Solomon to build a complete home in Guatemala.
- Meet our full 2023 budget and pay our budgeted apportionment commitment.

**Here's how you can help us
Finish Strong and Start Well:**

- If you've never given financially, please consider donating in December using this green envelope.
- If you've given in 2023, complete your 2023 commitment and prayerfully consider giving over and above in December to help us meet our goals.
- Complete a commitment card and let us know your financial intentions for 2024.
